THE POLISHED CHRONICLE

JANUARY 2017

ABOUT THIS NEWSLETTER

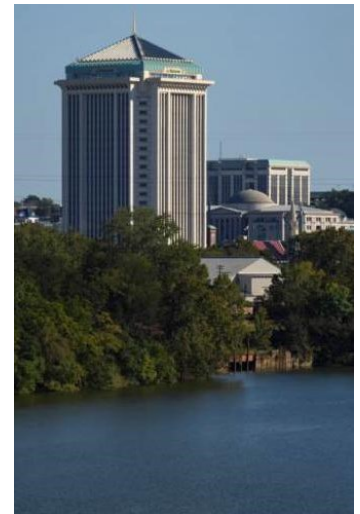

INSIDE THIS ISSUE:

ECO CLEANING 2

WHATS HAPPENING: TAX TIME 3

MEET THE OWNER CLEAN SLATE 4

This newsletter is called “The Polished Chronicle”, it was created by Clean Slate Cleaning Group to inform and to keep readers up-to-date about the various changes in the cleaning industry. Most importantly, the Polished Chronicle will bring awareness to the benefits of Eco and Green Cleaning for commercial and residential properties. Additionally, this publication briefs the latest news and information pertaining to the hottest business topics. Those topics will include: ISO Quality Standards, Cleaning Supplies and Equipment usages, Cleaning Tips, and other important factors that are useful for improving the cleanliness of the environment. This newsletter will be provided on a quarterly basis; therefore, some important current events will be featured.

Montgomery, Alabama-River Region

SPECIAL POINTS OF INTEREST:

- Purpose of this newsletter “The Polished Chronicle
- History of Clean Slate Cleaning Group
- Cleaning tips and education
- Current events that effect the environment

CLEAN SLATE CLEANING GROUP

Clean Slate has been privately owned and operated in Montgomery for a number years. The company was founded by business professionals Kimyata S. Bell and James S. Coleman. Owner, Kimyata Bell’s education includes a Business Degree from Troy University and over 15 years of experience in QC and QA. Coleman’s education includes a B.S.B.A in Accounting from Alabama State University and a M.L.A. from Auburn University Montgomery. As an ASQ Certified Quality Auditor, Coleman has implemented quality as the core-focus of Clean Slate.

ECO CLEANING TIP

ECO CLEANING:

Keeping your workspace clean and pleasant while respecting the environment is something we at Clean Slate Cleaning Group take seriously.

- Low Allergenic
- Non-Toxic
- Eco-Responsible

We approach Eco Cleaning holistically and smartly. Using sustainable, non-toxic and biodegradable products to assist our clients in lowering the environmental impact of their home, office and daily choices.
